Wendy is passionate about seeing Christians in the UK and across the world become all God has created them to be. She believes that the life Jesus modelled is meant to be the normal Christian life for every believer. When we know who God is as our Father and who He says we are as dearly loved sons and daughters, we will naturally release the Kingdom of God wherever we have influence.

Wendy loves to see churches full of God's presence and growing in faith for Kingdom breakthrough. She is brilliant at equipping believers to do the stuff that Jesus did and she loves to champion people to step into the unique calling God has for them. Wendy believes that church should be family and that leaders are to be fathers and mothers. She also longs to see believers living emotionally healthy lives and enjoying the freedom Jesus won for them on the cross.
